Hello Justin,

As soon as possible, provide us with some dates that would work for you. We will need to finalize board of review date selection at our June 12th board meeting.

FYI - I have hidden the open book and board of review meetings from our town calendar for now. Noticing for open book was already published in the newspapers but I had not submitted Board of Review for publishing. I presume the open book noticing will need to be published again (15 days prior to new open book date).

Subject: Assessment Notices

Hello Jennifer, we are not able to get assessments out in time to meet our initial open book. We are in the process of switching software companies and I lost 2/3 of my fieldwork. Do you have time to discuss moving the board of review back a few weeks. We are planning to do the fieldwork Monday.

I am really sorry about this. It is something I really don't want to do, but at this point we have to push back. I have two other guys helping me with fieldwork and reviewing in order to get the fastest turn around time.

Feel free to call my cell at (608) 770-1716. Thanks, Justin.

Thank you,

Justin Wiersma
