Greg,

FYI. I just remembered that we met with you and your team back in April. We have an update that we would like to share if you can fit us into your agenda.

Thanks in advance.

Good Evening Jennifer,

We may have communicated a few months ago when we met with the Township of Cross Plains to ask questions and gain direction related to the Ripp4 LLC land parcels that are part of the Township of Cross Plains.

We (my siblings and I) would like to request some time on the agenda with the Township board (:15 mins) at the next Planning Commission meeting. We would like to share a land proposal update we shared with the Village of Cross Plains Planning Commission earlier this month (Sept 8th). We shared with the Village our intentions of selling the land and would like to share the proposed ideas with the Township board before proceeding too far.

Thanks in advance.
