A bidding ad will be published mid-August for Garbage/Recycling services with 9/11/2026 bid deadline. **Chair/Clerk Announcements – Clerk:** Clerk College graduation was held in Stevens Point this month. **Chair:** The recent dog complaint follow-up: Sherriff has been mediating and it seems to have improved; homeowner has obtained a building permit. It was confirmed by homeowner that they own all the dogs and trains them. It was mentioned that they do not have dog licenses. Culverts for the W Mineral Point Road project are expected to be delivered to the Town Garage Friday, July 17, 2026 and reimbursement for Greg Hyer for the County permits associated with this project will be processed with the August invoices.

**Public Participation for Three Minutes on Any Item.** Greg Haack mentioned the Mount Horeb Fire Department will hold a budget listening session July 22, 2026. Clerk asked about building permit requirement for shingles seeking some clarification as recent discussion with Assessor made it seem like a permit would be required but inspector has stated that no permit is required. Looking at the Town policy reflects that a permit should be obtained but no inspection is necessary. Further clarity/direction will need to be obtained and guidance updated if applicable.
